22nd February 2021

Dear Parents and Carers,

### Year One - Curriculum Newsletter

Welcome back and we hope you have had a restful half term break. We hope you find this letter informative. Please do not hesitate to contact your child's class teacher if you have any questions relating to the curriculum @ [year1@broadford.havering.sch.uk](mailto:year1@broadford.havering.sch.uk)

#### Homework:

Our expectation at Broadford is that every child should do the following every night:

- 15 minutes reading to themselves or an adult and note in the reading record
- 15 minutes practicing spellings
- 15 minutes rehearsing times tables facts (including multiplication and division)
- If children would like to attempt an additional challenge, we have our weekly math challenge which can be found in the Year 1/2 blog page.

#### Spellings:

The children will receive spellings each Monday in a red exercise book. These words will usually be either 'red words' (words that cannot be sounded out) or 'high frequency words' (words that they will use in the writing frequently). Please practise these spellings with your child each night.

**Please ensure that your child brings their red spelling book to school every Friday.** They will complete their test in the book as this allows you to see their results. We will then send new spellings home in the book each Monday.

#### 105 Reading Books Year 1

Please ensure you complete your child's tracker and return to their class teacher. New copies of the tracker have been sent home. Please request a new tracker if needed. [year1@broadford.havering.sch.uk](mailto:year1@broadford.havering.sch.uk)

## Trips/Visits

- We will be visiting Barleylands for our 'Field to Fork' Experience on Thursday 7th July 2022. Further information to be sent closer to date.

## Curriculum Information

- We have included a summary of the topics which the children will be covering this term. If you would like to make any suggestions of what you or your child would like to learn in relation to the topics taught, please complete the form attached and return it to your child's class teacher. We welcome any suggestions you may have.

Yours sincerely,
